Aesthetic Services has become a premier aesthetic laser center through progressive and innovative treatment. Dr. Michelle Zaniewski-Singh has the experience and outstanding credentials few others possess.

Dr. Zaniewski-Singh graduated with honors from the University of Wisconsin, where she was elected to the prestigious Alpha Omega Alpha Honor Medical Society. She completed her internship and residency at the Cleveland Clinic in Ohio and her fellowship at Baylor College of Medicine. She is double board certified and does clinical research. She is a fellow of the American Society for Laser Medicine and Surgery, a faculty member of the American Academy of Aesthetic Medicine, the Asia Pacific Aesthetic Medicine Association and a member of

the American Academy of Cosmetic Physicians. She lectures nationally and internationally on aesthetic and laser medicine and has published articles and book chapters. Dr. Zaniewski-Singh is also trained as an endocrinologist and is uniquely suited to evaluate and treat hormonal causes of acne, excessive hair growth and other skin problems.

She invented and was the first to publish an article on the innovative effective new laser treatment for acne using the Erbium: YAG laser. This was reported in the December 2006 *Journal of Cosmetic and Laser Therapy*.

She was selected as one of Houston's Top Docs by *H Texas* magazine for 2005, 2006, 2007 and 2008 and featured in *Houston Modern Luxury* magazine in 2007.
